## RoHS Certificate of Compliance VM-1

EU directive 2011/65/EU annex II restricts the use of 6 substances listed below in the manufacture of specified types of electrical equipment.

This compliance certificate will confirm to our customers that **Vortex Mixer VM-1** does not contain any of the restricted substances in concentrations above the permitted level as specified within the directive. The restricted substances and their permitted concentrations in any homogenous material by weight are:

<u>Restricted Substance</u>	<u>Maximum Permitted Concentration</u>
Cadmium	0.01%
Lead	0.1%
Mercury	0.1%
Hexavalent Chromium	0.1%
PBB (Polybrominated Biphenyls)	0.1%
PBDE (Polybrominated Diphenyl Ethers)	0.1%
